

**Final Combine Conference:  
Converting Organic Matter from European Urban and Natural Areas into Storable Bio-energy**

**Quarry Bank Mill, Styal, Wilmslow, Cheshire, SK9 4LA  
Wednesday 9<sup>th</sup> September  
Agenda**

- 10:00 - 10:30 Registration and refreshments**
- 10:30 - 10:40 Introduction to the Combine project - *Dr Michael Wachendorf, University of Kassel*
- 10:40 - 11:00 Integrated Generation of Solid Fuel and Biogas from Biomass - News from COMBINE - *Dr Frank Hensgen, University of Kassel*
- 11:00 - 11:20 Introduction of IFBB to Poland - *Prof. Dr. Piotr Golinski*
- 11:20 - 11:35 Opportunities for deploying IFBB in different modes in Wales - *Colin Keyse, Cwm Harry*
- 11:35 - 12:00 Economics of IFBB – a case study in mid Wales - *Dr Frank Hensgen, University of Kassel and Andy Bull, Severn Wye Energy Agency*
- 12:00 - 12:30 Question and Answer session
- 12:30 - 1:30 Lunch**
- 1:30 - 1:50 Mowing Roadside Verges for Anaerobic Digestion - French Trials - *Jacques Bernard, Association d'Initiatives Locales pour l'Energie (AILE)*
- 1:50 - 2:10 Ditch, Hedge and Roadside Verge Maintenance – An overview of Herder - *John Geelhoed, Mastenbroek*
- 2:10 - 2:35 Using IFBB as a Biomass upgrading tool: dealing with a problem feedstock - *Colin Keyse, Cwm Harry*
- 2:35 - 2:55 Green Transport Corridors - *Clare Warburton, Natural England*
- 2:55 - 3:15 Conservation Biomass for Bioenergy - *Sally Mills, RSPB*
- 3:15 - 3:45 Question and Answer session
- 3:45 - 4:00 Closing remarks - *Dr Michael Wachendorf, University of Kassel*
- 4:00 - 4:30 Refreshments available before you leave.**
