Training Manual for C-VET professionals

A highly innovative and practical guide has been developed including a step-by-step approach to inform Trainers and C-VET professionals on how to implement the developed SASSI tools and resources for providing later-life career guidance. The guide is accompanied by a training programme and workbooks for improved learning.

Empower the trainers!

Unlock the training manual and CPD programme available for free on the SASSI HUB and equip your HR Managers, Trainers, and C-VET professionals with the tools they need to support 55+ individuals to enjoy longer, more fulfilling and meaningful careers.

Training Programme

The blended-learning CPD programme is designed as a flexible, interactive and modular training to provide new approaches for delivering career guidance in later stages of life. It contains the following 5 modules:
M1: Ageing workers and the labour market
M2: Age-specific career counselling
M3: Managing later life career
M4: Mobility in later life
M5: Becoming an olderpreneur
M6: Competence Assessment

What's next?

We are currently in the process of finalising the SASSI Toolbox where you will find a range of tools and resources to support the provision of later-life career guidance. Stay tuned for updates as we are about to finish this comprehensive collection of tools!
